About the program

MASTER OF COMMERCE

Learning Efforts - 12/15 hrs a week | Duration - 2 Years | Credits - 99

Master of Commerce is a 2-year (4 semesters) program that aims to equip the graduates and working professionals with the requisite knowledge and skills in Financial Management. The program helps you gain knowledge of conventional general principles and financial management traits. Decisive financial activities are involved while setting or achieving impeccable business goals. This may include financial planning, organizing, directing and controlling activities such as procurement and utilization of funds of the enterprise along with Security Analysis and Portfolio Management, Strategic Financial Management, Banking Principles and Practices and more.

After the completion of the program, learners will gain strong subject-matter expertise in finance. They will also acquire essential knowledge on how to align the financial strategy of any organization with the development of the economic and financial environment.
